# What They're Saying About Mary Fran

"As a Human Resources leader for an emergency medicine company I always try to coordinate Lunch and Learn sessions to enrich the lives of our employees both personally and professionally to take a break from their fast-paced roles. Mary Fran was such a breath of fresh air. Her delivery was engaging and her points were right on the money. I began the presentation feeling anxious and stressed from my day and I left feeling excited and empowered. A week later people are still raving that it was one of the best, most enjoyable presentations we've ever had! I'd recommend Mary Fran to anyone, and she's excellent in a corporate setting!"

Mary Fran was one of the first people we asked back for our 2018 conference!" - **Teri Grumbrecht** - Membership Director, Greater N.E. Philadelphia Chamber of Commerce

"Mary Fran was wonderful with our teens at our Teen Leadership Workshop! She so thoughtfully connected with them in a way that made their opinions feel valued while sharing her own experiences and situations. The girls all left having a new sense of confidence about ways to handle situations while feeling good about themselves. What an empowering woman to make so many young girls feel like they have control in their lives in areas they might not have before!" - **Leslie Conway** - Founder, Inspiring Teens Magazine

## The Women's Book of Dirty Words

We women talk - a lot. Yet, the words that take others to their happy place often make us miserable. Words like vacation, dinner, balance, and change can leave us breathing into a paper bag with our heads between our knees. It doesn't have to be that way. Join Mary Fran Bontempo and redefine the 'dirty words' that make us cringe. You'll laugh, clean up your self-talk, and change your life—one word at a time!

## Not Ready for Granny Panties - The 11 Commandments for Avoiding Granny Panties

In this delightful book, Mary Fran empowers readers to eliminate what doesn't work and embrace what does by offering a new set of "commandments" to make life more manageable, fulfilling, and fun, personally and professionally.
